OVERVIEW

ALL NATIONS
INTERNATIONAL
reaching the neglected (Abundant) - also (basic, the best, and the best)

Of the four countries comprising the United Kingdom, England is the largest and located in the southern part of the island of Great Britain. The eastern side of London, England's capital, is home to a growing population of underprivileged youth. Many come from single-parent homes suffering from unemployment and alcoholism. This leaves the youth vulnerable to the rapidly growing gang culture. Many from the age of eight have been lured into and used by gangs to commit criminal acts, such as drug dealing and stealing.

All Nations' missionary family, the Yohannes, have been reaching out to the youth of East London since 2018. They have established relationships with the youth, ranging in ages from 8-24 years old, through weekly in-person and online gatherings. Their after-school clubs, sports camps, Discovery Bible Studies (DBS) and arts and crafts activities have helped create an environment of discipleship for every child. Their heart is to raise up the next generation of leaders for Christ from among the youth.

PRAAYER POINTS

For the East London youth, please pray they will...

- turn away from the many distractions and turn to Christ
- make a commitment to follow Christ wholeheartedly
- be eager to know Christ and be known by Him
- find purpose and passion in Christ
- be protected from the gang culture

For the Yohannes family, please pray for...

- wisdom in knowing how to minister to such a diverse group of youth
- strength and grace to persevere; the work is demanding
- outside financial support and resources to live and minister among the youth; the youth are unable to be self-supportive
- blessing to raise up and train youth leadership
