# ROMA PEOPLE

Join us in praying for this neglected people group!

- **Called:** Roma (also Romani, Gypsy, Gitano, Travellers and Sinti)
- **Total population:** 2 million
- **Language(s):** Romanian (Hungarian and Romani)
- **Main Religion:** Orthodox Christianity

The Roma people are located throughout the Eastern European country of Romania. They are one of the most disadvantaged, excluded and marginalized people groups in Europe and Romania, the majority of whom live in extreme poverty in ghettos. Illiteracy is common since very few Roma children finish elementary school. Sadly, theft and begging can become necessities of survival. Their extreme poverty coupled with a lack of family responsibility often leads to home environments of domestic violence influenced by alcohol and drug addiction. By the age of 18, many girls are married for the second time (or more) and have one or two children.

Of the two million Roma, only 2,000 (one percent) identify themselves as evangelical. All Nations' missionary family, the Weigelts, have been living in Romania since 2008. The majority of their work in spreading the Gospel has been among the Romanian poor, especially the Roma. Their disciples regularly testify of coming to Christ through miracles, healings, dreams and visions. The Weigelts are training and empowering these Roma leaders to be 'conduits of change' in their communities - transforming them from the inside out. Their desire is to see communities of Jesus' disciples multiplying among the poor, unreached and/or unengaged throughout Europe.

## PRAAYER POINTS

*For the Roma people, please pray for...*

- the provision of basic needs, including jobs, adequate housing and clean water
- an awakening of genuine faith and repentance among the 70-80% who identify as Orthodox Christians
- a hunger for righteousness
- multiplying fruitfulness that remains
- emotional healing from systemic racism, discrimination and a destructive home situation
- acceptance by the Protestant church for those desiring to know Jesus (i.e. many are excluded from church involvement, baptism or communion because they are dirty and culturally different)
- simple church leaders who will take responsibility to lead, care for and serve their communities

*For the Weigelts, please pray for...*

- favor with persons of peace through whom they can train to multiply disciples, leaders and simple churches
- perseverance when their disciples fall back into addictions, crime and licentious living
- 100% financial support
